## Classroom Expectations

The ***objective*** for today is to demonstrate an understanding of classroom rules and expectations and explain why they are important for learning.

**Before: (Do Now)** Without looking at the Expectations Poster, write down as many classroom rules and expectations as you can. Explain why they are necessary for learning?

When you are finished, we will share our thoughts as a class –

**one person speaks at a time!**

**During:**

Take a look at the rules and expectations on the left. Take 5 minutes to answer the questions.

What are our classroom rules and expectations?	Why is each of them important in our class? How will following each rule or meeting each expectation as a class, ensure that learning can occur?

When you are finished, we will share our thoughts as a class –
